Artwork by Oceanna

O 01: Freedom

To the glory of that moment when,
one chooses to rise up, to break
free, to fly again.

To the choice of moving through
all odds, all difficulty,
moving beyond all reason,
by deeply inviting life's Fiery Spirit
to lead on.

We salute this strength
and clarity of Purpose
that lives within each Soul.

~ by Oceanna

O 02: Passion

Rise up O' my Soul!
Reach for the truth as if all life
lived within it.

You are a starry universe.

When you push off with your foot,
a thousand new roads
become clear.

~ by Oceanna

O 03: Alchemy

As above, so below.
The raising and changing of

denser materials into Gold.

The raising and changing of our
thoughts and activities
to greater purpose.

As we connect, earth to heaven,
as we choose to breathe our love
into every moment of life,
so do we create our world,
opening the way
for the inexhaustible energies
of the cosmos
to pour into human manifestation.

~ by Oceanna

O 04: Emergence of the Feminine

Woman rises, breaking through
the surface of the tides.

Glorious, passionate, powerful,
graceful.
Will you celebrate my ecstacy?

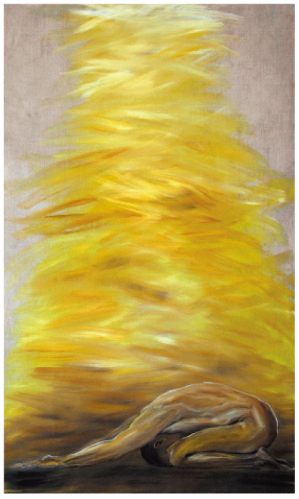

Emergence of the Feminine...
ally of the elements.

Nature's beauty in human form.

Rise up, hear the call, you are
needed in your ecstatic fullness.

~ by Oceanna

O 07: Surrender

How may one receive
the infilling nectar
of Divine Love,

unless there is
an absolute emptying,
a surrendering
of all that has come
before this moment?

~ by Oceanna

O 09: Yes

Yes to the call
that is activated within us.

Yes to all who will answer
and stretch,
And reach for the greater vision.

The time is Now.

I who will answer and stretch, and
reach for the greater vision.

The time is Now.

O10: Ecstacy

Every preference, at its core,
is the call to God's Garden.
Every desire,
be it of flesh or of thought,
is Life's Fire —longing to know
and receive the Beloved.

Some say, "have no desire."
I say, "use the desire, the fire,
as fuel to ignite the path,
ever returning Home again
into the Arms of Divine Love."

Softening into ecstacy,
is to completely dissolve
all notion of any thing
— any thought other than
the All Embracing,
Warming
Breath of Source.
~ by Oceanna

O12: Return to Union

Love's call for the Return to Union,
to Heart, to Soul.
This union is the harmonious
blending and completion
within the New relationship
of male and female.

This merging of light and dark,
sun and moon, heaven and earth...
is our humaness
coming into full integration with Soul.

Here is the point where the apparent
boundaries between "two" disappear
into Heart's Ecstatic Union.
~ by Oceanna

O13: As Above, So Below

The golden proportion geometry
represents
the Evolution of Consciousness.

From the place
of the Eagles Vision,
the angel observes humanity,
as a divine message is offered...

"Be sill, Be at peace, Be kind."
~ by Oceanna

O15: Truth

What is offered
from the empty hand?

The intent of Truth is to open,

illuminate and magnify the
doorway to Freedom.

Evolution of the Soul is fed
by this Truth.
~ by Oceanna

O17: Lotus Heart

Like a tender lover, offering
the most intimate embrace,
The open heart invites us into
rich and profound depths.

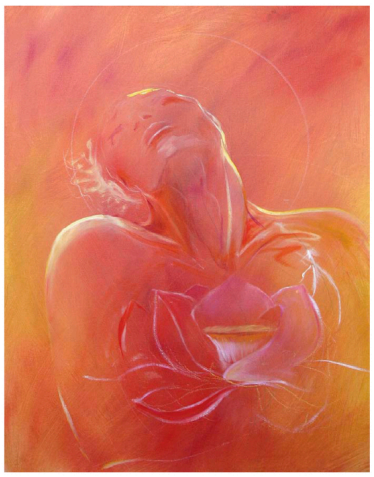

All questions are answered
here...all wanting, is fulfilled.

Within the song of the Lotus
Heart is found
The ever waiting, ever patient
Presence of Eternity.

~ by Oceanna

Oceanna's cards are available with or without her amazing poetry, beautifully formatted on the back of each card.
